ATR 60° installation suggestion

ALBUZ[®] ATR 60°

- Recommended for the application of **systemic and contact products** in arboriculture and vineyards;
- Pink ALBUZ ceramic, **hollow cone 60°**, excellent precision and **high wear resistance**;
- The **green bottom** identify the 60° angle;
- The narrow angle **reduce the drift up to the top part of the target**;
- Body diameter: 11 mm.
